Colonies

Guillemates will be assigned a colony.

2-3 mentees to 1 mentor.

A Seabird Group rep will attend the first meeting to explain the objectives of the Guillemates and answer any other questions.

Population meet-ups

In addition to colony meetings, we will be organising Guillemate-wide talks on relevant topics.

Mentors

Mentors can be mid-career onwards.

Mentors will receive session plans and other materials.

If you have any other questions, please email our ECR rep Jacqui at ecr@seabirdgroup.org.uk
